If I book my wedding and reception outside, is there an indoor backup space in case of inclement weather?

A tent rental would be required in the amount of \$495.00 to \$4,000.00. Inquire about size and pricing. Deposits for tents are required. Southernmost Beach Café may also be reserved for a minimum fee of \$1,500.00 and up.

Is there a minimum amount of people we have to guarantee to have our wedding at your resorts?

No! There is a wedding service package minimum for ceremony and a food and beverage service minimum to reserve date and time at our beachside location. Please ask your catering sales manager about which one of our site locations would best suit your party size and its amount for your date. This is the amount you will be responsible for spending before the service charge and tax are applied.

What is required to insure we reserve our event at one of the Southernmost Hotel Collection properties?

A signed contract guaranteeing date, space, time, food and beverage minimum, plus a non-refundable \$1,000.00 deposit. Once received, you can begin planning your special day. Wedding service deposit of \$1,000.00 is additional. Vendor deposits may also apply.
